### News Letter

A meeting was recently held between the Executive Committee, Mr. Orr, Chairman of the Public Utilities Committee, and representatives of the Arnold Bus Lines. The general purpose of the meeting was to work out a schedule that would be more beneficial to the residents of the Hills as a whole. A more complete report of the discussion will be made at the June 7 meeting.

In addition to discussing possible changes in the schedule, the subject of general utility of the service was discussed. The consensus was generally that the primary difficulty arose out of the lack of information on transfer possibilities and times that busses are available to various points. In order to clarify the situation, schedules for Route 3 have been furnished to us and are attached. Also, bus schedules for the Pimmit Hills busses are attached to many of the News Letters. If you didntget one, ask your neighbor.
