### NEWSLETTER

As we approach the second meeting of the fourth year of our organization many civic matters deserving our interest and attention present themselves, and we hope the residents of our expanded Pimmit Hills will participate, cooperate, or at least give serious thought to the subjects which do so very much concern us all.

Registration is now in progress for the November 15th election. Mrs. Kenneth Layton (2016 Dick Road, #1, 9709) is registrar for the Pimmit Hills Precinct. Anyone having moved into Virginia after January 1, 1953

The three candidates for the House of Representatives from this district, the Hon. Joel T. Broyhill, Mr. John C. Webb, and Major W. Huiet Phillips (U.S.A., retired), will speak at George Mason High School, Route 7, Falls Church, on October 20th at 8:15 p.m. under the sponsorship of the League of Women Voters.

September 30, Thursday, has been designated as "M" Day - the day on which merchants donate the proceeds of their day's business to the Cerebral Palsy Fund Campaign.

The County Board of Supervisors passed the rabies ordinance, effective October 4th. Certificates of vaccination will be required to obtain 1955 dog tags. Additional clinics are being held for the vaccinations at the new Health Center at Fairfax on Route 237, between Fairfax and Fairfax Circle. The clinics will be held weekday afternoons from 1 to 3 p.m. beginning September 27 and running through October 8. Cost of the vaccination will be \$1. Although the clinics are primarily for dogs, cats will also be vaccinated on request.

Over \$500 was contributed to the August Emergency Polio Drive in Pimmit Hills. Mrs. Orr, Mrs. Williams, and Mrs. Gresham were the chairmen, and fifty-three workers helped with the door-to-door collection.

The time has come when we need to take stock of ourselves. A census and survey of our area is planned for early October.

The Community Chest Drive for this year begins October 1. Mrs. Doug Crisman and Mrs. Mike Fontana are co-chairmen in Pimmit Hills, and anyone wishing to volunteer as a worker is invited to call one of the above.

Our Girl Scouts need leaders. Mrs. Edwards of Haycock Road, JE 3-0721 is neighborhood chairman, and she will be glad to talk to any persons interested in leadership. No previous experience is necessary.

At the last association meeting a cash prize was presented to John Crain, the 8 year old son of Mr. and Mrs. Mel Crain, of Griffith Road, for his tremendous achievement in having gathered for our paper drives of June, July, and August, 3221 pounds of newspapers and magazines. The paper drive is a regularly scheduled event held the third Saturday of each month, 9:00-11:00 a.m., at the corner of Patterson and Paxton Roads. Please do not destroy your papers and magazines. If you cannot get them to the drive, call JE 4-0163 or JE 4-2067 for pick-up.

The Association would like to express its thanks to Mr. Carlton Massey, County Executive, who addressed the gathering at the ceremony inaugurating bus service in Pimmit Hills. Dick Smith, our former Public Utilities Chairman, was presented a citation for his noteworthy service to Pimmit Hills in having represented our area so effectively in its great need for public transportation.

We also wish to thank Mr. Joseph O'Meara, of the Tastee-Freez Company of Falls Church, for the 300 cups of ice cream donated for refreshments at the Parents' Day, which marked the close of the playground at the end of the summer.

We are happy to welcome the newcomers to our meetings and into the community. Attendance at meetings is not required of association members; however, thirty-five people must be present for the quorum necessary to transact by vote the business of the Association. Each district of Pimmit Hills is assigned a representative, resident in his or her district, and it is mainly through them that members are solicited. The mokest dues of \$2.50 per household provide funds for the many community projects undertaken by the Association.

Inasmuch as personal affairs required so much of my time this month, Mrs. John Bazuin kindly consented to prepare the newsletter. I sincerely appreciate this help. Thank you very much, Syble.

"M" DAY IS ON THE WAY

You are reminded that Thursday, September 30th, has been designated as "M" Day for the Fairfax-Falls Church Chapter of United Cerebral Palsy.

On that day, the merchants in your area will display a prominent sign indicating that net profits for that particular day will go toward the support of a Treatment Center in Fairfax County for preschool age Cerebral Palsy children.

You do not donate on "M" Day--you simply BUY your regular needs in the stores displaying the Cerebral Palsy "M" Day sign on Thursday, September 30th.

Your purchases\*from the "M" DAY merchant makes possible his support of United Cerebral Palsy.
