## New Officers Needed for the Pimmit Hills Citizens Association

Are you new to Pimmit Hills? Would you like to become more involved in the community? Do you like to help make things better? Now you can by volunteering a small fraction of your time as an officer of the Pimmit Hills Citizens Association: the voice of our community in Fairfax County. The terms of the current officers are up and they need *you* to take their place! Attend a PHCA meeting or call one of the officers for more information.

## Get Involved

- I'd like to help deliver *The Dispatch* to homes in my area. (Get some exercise, look at houses and meet neighbors!)
- I am interested in participating in the Neighborhood Watch. (A new leader is also needed)
- I'm an at-home mother who would like to join the Moms Club in Pimmit Hills.
- I am interested in starting a welcome committee for new people moving into the Pimmit Hills neighborhood.
- I'd like to lead or be a part of a committee that helps to keep parks in Pimmit Hills clean.
- I'd like to suggest another opportunity to help our community that is not mentioned here. (We need your creative ideas!)

"Let us thank God for His kind care and protection of the people of this country previous to their becoming a nation...for the great degree of tranquility, union and plenty which we have enjoyed...for the peaceable and rational manner in which we have been enabled to establish constitutions of government for our safety and happiness."

# Did You Know?

BY JENNIFER BAKER, PHCA SECRETARY

*Here's what happened at the last Pimmit Hills Citizens Association (PHCA) meeting in October:*

The Pimmit Hills Community Phone Directory is almost ready thanks to the efforts of PHCA Treasurer Danny Van Roekel. Be sure to get your very own copy as soon as it is available.

☪

Uncle Sam needs you, to vote that is. On Tuesday, November 2nd, come cast your vote at the Pimmit School on Lisle Avenue and pick up a sweet treat at the Citizens Association table. You can also take a minute to join or renew your membership in the PHCA.

☪

The idea of exploring the possibility of officially naming our community "The Village of Pimmit Hills" was bandied about and folks seemed to like it. This may be a topic of conversation at future meetings so if you have an opinion, please come and share it.

☪

Joe Baker will be handling the Neighborhood Watch program while Gary Samples is away for a

few months. Please consider assisting Joe in keeping our community safe by participating in the program. It is easy and can be done in the course of a regular walk or drive.

☪

A gentle reminder was made for folks to pick-up their Dispatches, Journals and other free newspapers rather than leaving them out to become a wet eyesore.

☪

*The PHCA is the official voice of the Pimmit Hills Community, which means that the PHCA is speaking and acting for you in a variety of ways. Be sure your views and opinions are heard by becoming a PHCA member and making time to attend each monthly meeting. With just a small investment of time – you can be in the know!*

Your contributions of articles, news items and ideas are important to *The Dispatch*.

Have a community organization? Tell us what activities you have done and what you have planned.

Have you been a resident here for a long time? Tell us the history of Pimmit Hills. Include any photos you might have of Pimmit Hills when it was built. Photos will be returned.

New to town? Tell us why you decided to move here.

The Pimmit Hills  
Dispatch

Have your daughter, son or grandkids done something special in school, college or military?

Tell us about births, engagements, weddings and obituaries.

Got promoted or have a new position at work? Done something special? Have any other ideas for interesting items for *The Dispatch*? **Your contributions are important! Community events news or announcements are especially encouraged.**

**Idea  
#1**

*This idea for an article was received from a Pimmit Hills resident: "Here's an idea for an article or even a recurring feature for *The Dispatch* – an article on home improvements (structural or landscaping) done by residents in the community. What did they do? What motivated them to do it? How did they do it*

*(themselves or contractor, and if so, who)? How long did it take? How did they work the projects into their lifestyle? What pitfalls should their neighbors avoid if they want to do the same?"*

*Would you be interested in writing an article like this? It doesn't have to be long and you could include photos. You could also write it with someone else or tell about your own home improvement experiences.*

Send news items, articles, ads, responses to issues, for *The Dispatch* within an e-mail message (no attachments) to [cjk@suburbanweb.com](mailto:cjk@suburbanweb.com). Or call Cindy at 703-734-0402 or fax it to her 24 hours a day at 703-734-0779, or drop it off at her house, 1925 Cherri Drive.

*What are you thankful about living in Pimmit Hills? In honor of Thanksgiving, here's what some PH citizens said:*

- The thing I am most grateful for may sound lame to some, but it's our water. Having our own well system with water that tastes good and smells good, even though it has some minerals, means a great deal to me. When FCWA cuts off our wells to clean them, I hate the smell and taste of the Dalecarlia water we get switched over to. I'm also grateful for some very good friends up the street. I went to school with their kids. I am grateful that I have seen Pimmit Hills become a diversified subdivision without great conflicts. I think for the most part, we all care about our homes and keep them up and improved. (44 years)
- I'm thankful about living in Pimmit Hills because I have such good neighbors. That has been the case for almost all of my 22 years here.
- We moved here 45 years ago and still live in the same house. I am thankful for the following reasons: My wife and the mother of our two children for making a happy place to live. I am a retired professional Washington, DC firefighter. I was a Little League manager for Federal Little League in Pimmit Hills. I have been a member of the Tysons Corner host Lions Club for 33 years. My family is still together. We are thankful that we are around to see another Turkey Day. Please stop by and see our Christmas display!

*What are you thankful about living in Pimmit Hills? Call, fax or e-mail the editor. She won't put your name, just how long you've lived in Pimmit Hills.*

## Heard on the Grapevine

By Donnie Dick

I was really impressed by the October issue of *The Dispatch*. Our new editor is to be commended. Is that Bill Gold's picture by my column?

Is it me or is Pimmit Hills getting a rundown appearance in some places? I've seen trash containers left at the front of some homes and filled to overflowing with debris along curbs and on sidewalks. Some lawns are seldom mowed and trees and shrubs overgrowing walkways and fences. Some fences are in a state of disrepair, rusted, rotting or generally unkept. I've seen trash filled curbs and gutters around our convenience stores and leading from

them. Why are mattresses and old refrigerators stored in some yards? Please do your part to eliminate these eyesores and take pride in keeping our community clean and well-kept. Then the value of our homes and the quality of life here in Pimmit Hills will increase.

Does anyone know why the Park Authority removed the fence between the Tyson's Pimmit Park and the Peach Tree Apartments? I thought the fence made a nice boundary marker. I hope that there will not be an increase in dumping in the park from the parking lot next door.

### PIMMIT HILLS ISSUES #1

Is Pimmit Hills run-down? What should be the solution? Ideas will be printed in the next *Dispatch*. E-mail editor.

## Tired of Raking Leaves?

Let us remove your leaves with large commercial vacuums. Our process mulches leaves very small for good mulch. You can keep the mulch or haul it away. Call for a free estimate.
